Appl. No. 10/608,501
Amdt. dated May 9, 2005
Reply to Office action of February 9, 2005

The Applicant also respectfully submits new claims 33 to 41. Claims 33 to 41 are respectively claims 25-27 and 29-32 rewritten as independent claims without any references to non-elected embodiments. Claims 25-27 and 29-32 remain withdrawn.

In the Claims

Please replace old claim pages 15-22 containing claims 1-32 with new claim pages 15-30 containing claims 1-41.

In the Abstract

Old page 23 containing the Abstract is respectfully replace with new page 31 containing the Abstract. The change in page numbering has been done in order to keep a coherent and consecutive page numbering. The Abstract has not been amended.

Considering the above arguments, the Applicant respectfully requests that a timely Notice of Allowance be issued in this case for all pending claims.

Respectfully submitted,
BROUILLETTE & PARTNERS
